JOB DESCRIPTION

Location: Dist
Effective: 08/2019
Approved: AA

SHELTON SCHOOL DISTRICT #309 Shelton, Washington

TEACHER – CTE TECHNOLOGY EDUCATION

JOB SUMMARY:

The job of the CTE Technology Education Teacher is done for the purpose(s) of instructing technical education classes in construction trades and supervising student activities related to the development of the skills, knowledge and attitudes related to employment in the construction trades; assessing and encouraging student progress; and, managing an effective learning environment to maximize student achievement.

It is the responsibility of this position to provide an educational program for high school students that meets industry standards in the area of construction trades. National standards based on NCCER are the foundation of the program. Safety is of paramount concern and must be the first unit of instruction for each class taught. CTE standards to include leadership (Skills/USA) and employability skills (21st Century skills) are an integral part of the program.

ESSENTIAL FUNCTIONS, DUTIES, AND RESPONSIBILITIES:

Depending upon individual assignment, the teacher performs all or a combination of several of the following duties. This list of essential functions is not exhaustive and may be supplemented as necessary.

1. Advises parents and/or legal guardians of student progress for the purpose of supporting teacher's expectations, developing methods for improvement and/or reinforcing classroom goals in the home environment.
2. Assesses students for the purpose of providing feedback to students, parents and administration regarding students' progress, expectations, goals, etc.
3. Assists other teachers for the purpose of implementing curriculum.
4. Collaborates with school personnel, parents and various community agencies for the purpose of improving the quality of student outcomes, developing solutions and planning curriculum.
5. Demonstrates methods required to perform assignments and/or skills (e.g. lab experiments, athletic techniques, etc.) for the purpose of providing the students with the necessary skills to perform the tasks safely and/or accurately.
6. Directs instructional assistants, volunteers and/or student aides for the purpose of providing an effective school program and addressing the needs of individual students.
7. Instructs students for the purpose of improving their success in academics through a defined course of study.
8. Monitors student activities for the purpose of providing a safe and optimal learning environment.
9. Prepares teaching materials and reports (e.g. grades, attendance, anecdotal records, etc.) for the purpose of implementing lesson plans and providing documentation of teacher and student progress.
10. Reports incidents (e.g. fights, suspected child abuse, suspected substance abuse, etc.) for the purpose of maintaining personal safety of students, providing a positive learning environment and adhering to education code, district and/or school policies.
11. Assists other personnel as may be required for the purpose of supporting them in the completion of their work activities.

Teacher – CTE Technology Education
Page 2 of 2, August 2019

12. Participates in various meetings (e.g. parent conferences, in-service training, site meetings, etc.) for the purpose of receiving and/or providing information and/or meeting credential requirements.
13. Maintains an active CTE advisory committee made up from local and regional business and industry experts.

REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES:

- Skills to motivate students, communicate with individuals from varied educational and cultural backgrounds, direct support personnel, and evaluate student performance.
- Knowledge of age appropriate teaching methods, state curriculum framework, education code, appropriate instructional subjects.
- Knowledge of construction trades and industry.
- Ability to instruct students and manage behavior.
- Ability to supervise students in SkillUSA activities and competitions.

WORKING CONDITIONS:

Ability to stand and walk for prolonged periods, perform a variety of specialized and responsible tasks, maintain records, establish and maintain cooperative working relationships with students, parents, other school personnel, meet schedules and deadlines. Significant physical abilities include lifting, carrying, reaching, handling, talking, hearing, near/far visual acuity, depth perception, field of vision.

MINIMUM QUALIFICATIONS:

Ability to obtain appropriate Washington State teaching certification.
Technology Education Certification Preferred (University Degree).
Construction Industry experience acceptable, but must have either completed, or plan to complete, the Washington State approved *Plan 2 CTE teacher training program*.

REPORTS TO: Building Principal or Assigned Administrator

TERMS OF EMPLOYMENT:

Salary and benefits according to state salary schedule and negotiated agreement.

EVALUATION:

Performance of this job will be evaluated annually in accordance with provisions of Washington State Law and the bargained agreement.
