description and online application.

Thank you for your interest in ESD 112 and our Prevention program. Prevention/Intervention Specialists serve K-12 students in schools throughout the ESD 112 region, with an emphasis on secondary students. Their goal is to increase the educational success of students by building a protective environment, increasing the resiliency of students who are at risk of drug use, and decreasing student use of harmful substances in schools served.

Assignment:

We are recruiting for a Student Assistance Professional to serve the Goldendale School District in Goldendale, WA. This position will be 40 hours per week and will be based on 190 day schedule.

Position Description:

Under the supervision of the Prevention and Youth Services Manager or Director, the Student Assistance Professional develops and delivers services to students facing behavioral health issues in collaboration with school assistance programs, parents, and community agencies.
